

REMARKS

Upon entry of the present Amendment, claims 8 and 12 will have been amended and claims 14-26 will have been added, with claims 1-26 pending before the Examiner.

Applicant notes that the amendment to claims 8 and 12 is being presented to render the language of the claims more consistent throughout the claims, and is not intended to narrow the scope of the claims. Accordingly, this amendment should not be considered a decision by Applicants to narrow the claims in any way. Applicant further notes that claims 14-26 generally correspond to original claims 1-13, and recite, *inter alia*, a digital camera having a body. Applicant thus respectfully requests entry of the herein-contained amendment.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
